Afternoon session: Influencing Nursing Education Around the Globe  

2:00-2:45 PM Influencing Global Policy and Regulation  
Speaker: Lucille Joel, EdD, RN, FAAN, Professor, Rutgers College of Nursing, Newark, NJ  
As a past president of the American Nurses Association and CGFNS International, and past Vice President of the International Council of Nurses, Lucille Joel brings a global perspective to healthcare policy and regulation. As the nursing profession evolves globally, it is imperative that we engage in policy and regulatory decision making.

2:45-3:30 PM Influencing the Global Workforce  
Speaker: Franklin A. Shaffer, EdD, RN, FAAN, CEO, CGFNS-International, Philadelphia, PA  
The international shortage of registered nurses is poised to reach crisis proportions in the next decade. Frank Shaffer will discuss how nurses will influence the delivery of healthcare services—from the basics to the highly technical, as they migrate throughout the world.

3:30-4:30 PM Influencing Nursing Education Around the Globe  
Speaker: Shake´ Ketefian, EdD, RN, FAAN, Emerita, University of Michigan School of Nursing, Ann Arbor, MI; and Lillie M. Shortridge-Baggett, EdD, RN, FAAN, Professor, Lienhard School of Nursing, Pace University, Pleasantville, NY

The delivery of nursing services in complex cultures, from primitive to sophisticated, relies on well-educated registered nurses. With a plethora of international experiences to share, Shake´ Ketefian and Lillie Shortridge-Baggett offer an assessment of the status of nursing education globally and how it needs to advance in the future.

4:30-4:40 PM Closing Remarks

5:00 PM Nursing Education Alumni Association Annual Meeting  
Presiding: Franklin Shaffer, President

NURSING CONTACT HOURS:  
James J. Peters VA Medical Center is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s commission on Accreditation. The purpose of the conference is to discuss and analyze the lived experience of Teachers College Nursing Graduates and their influence on Nursing Education, Leadership and Research domestically and internationally.

Objectives: At the end of the conference the learner will:

1. Recognize and articulate the individual speaker’s accomplishments in nursing.
2. Examine the domestic and international roles that Teachers College graduates have held.
3. Discuss the role of the Isabel Maitland Stewart conference on the lives of Teachers College students and graduates.

About the Stewart Conference
The Stewart Conference on Research in Nursing was established 50 years ago in honor of Isabel Maitland Stewart (1878-1963), Director of the Department of Nursing Education at Teachers College (TC) from 1925 to 1947. Prior to assuming this position, she served as the Assistant to the Director, M. Adelaide Nutting. Miss Stewart developed the first course dealing specifically with the teaching of nursing, a course that eventually was expanded to become an entire program for the preparation of teachers of nursing at TC. The Stewart Research Conference provides a forum for all nurses, including TC students, alumni and health care professionals to share their research with nursing’s scholarly community and to learn about the latest trends and issues in healthcare.

About the NEAA Awards Luncheon
All attendees are invited to come celebrate with us at the Stewart Conference Awards Luncheon, sponsored by Teachers College Office of Alumni Relations. The following awards will be presented: R. Louise McManus Medal; Nursing Scholarship and Research; Nursing Education; Nursing Practice; Nursing Service; Leadership in Professional and Allied Organizations. In addition, all award winners and others will be inducted into the Teachers College Nursing Hall of Fame. See www.tcneaa.org for award winners.
