54TH ANNUAL ISABEL MAITLAND STEWART CONFERENCE ON RESEARCH IN NURSING

About the Stewart Conference

The Stewart Conference on Research in Nursing was established 54 years ago in honor of **Isabel Maitland Stewart** (1878-1963), Director of the Department of Nursing Education at Teachers College (TC) from 1925 to 1947. Prior to assuming this position, she served as the Assistant to the Director, M. Adelaide Nutting. Miss Stewart developed the first course dealing specifically with the teaching of nursing, a course that eventually was expanded to become an entire program for the preparation of teachers of nursing at TC. The Stewart Research Conference provides a forum for all nurses, including TC students, alumni and health care professionals to share their research with nursing's scholarly community and to learn about the latest trends and issues in healthcare.

About the NEAA Awards Luncheon

All attendees are invited to come celebrate with us at the Stewart Conference Awards Luncheon, sponsored by Teachers College Office of Alumni Relations. The following awards will be presented: The R. Louise McManus Medal; Nursing Scholarship and Research Award; Nursing Education Award; Nursing Service Award; Leadership in Professional and Allied Organizations Award; Nursing Practice Award. All award winners are inducted into the NEAA Teachers College Nursing Hall of Fame.
